# { Kronda Adair }

kronda.com
hello@kronda.com
github.com/kronda

## Skills

### Languages

- HTML
- CSS(3)
- JavaScript (jQuery)
- PHP
- MySQL
- Ruby

### Frameworks

- Drupal
- Wordpress
- Code Igniter
- JMVC

### Tools

- Photoshop
- Textmate
- Coda
- Vim
- Git

## Education

### The Art Institute of Portland

- B.S. Web Design & Interactive Media
- Honors Society
- Peer Ambassador
- Web Raising 2010
- Ford Family Foundation Scholarship

### Portland Community College

- A.A. Computer Information Systems
- Dean's List

## Work Experience

### Metal Toad Media: January 2011 - Present
**Web Developer**
Drupal theming, site building, QA and training

### The Art Institute of Portland: October 2009 - December 2010
**Tutor**
Tutored students in CSS, database design, PHP, MYSQL and Wordpress. Clearly explained concepts in relatable terms and provided follow up resources for further learning

### FedexOffice: January 2003 - October 2005
**Project Manager**
Managed all aspects of production in one of the nation's busiest locations. Supervised production staff, outsourced large print jobs, communicated with customers regarding their projects and quality control of finished products

## Projects

### Jill Malone, Author
jillmalone.com
Wordpess site with a custom theme, blog and book promotion

### Sorella Forte Cycling Team
sorellaforte.com
Drupal site with a custom theme, blog, join page

### Che Cafe Comfort Food Cart
checafepdx.com
HTML5 boiler plate, one page custom design with order form

## Interests

Riding one of my five bicycles (road, mountain, cargo, folding, cyclocross), writing, photography, traveling, cross country skiing
